Thank you once again for supporting our pantomime, which this year brings us to the far east with the wonderful story of Ali Baba and the forty thieves. Without the help of you, our paying public, we would be unable to "keep the show on the road", so for that we are very grateful.

To the enitre cast and crew we extend our thanks for giving of their free time so willingly and working so hard, to bring this production to you, the public. We wish also to thank their partners for allowing them the time out required for all those rehearsals.
