Dear Ladies and Gentlemen Boys and Girls,

It is with great pleasure that I welcome you to Garter Lane Arts Centre for the David Hennessy Junior Stage Schools' production of Alice in Wonderland Jr! We celebrate our 2nd birthday in March 2008, I'm thrilled with the school and my dream of running one has finally sunk in. I would like to thank sincerely every kid and parent that have been involved in the school from day one to present from the bottom of my heart for making this dream a reality. As I've said before, this school is not about me, its about the kids and I'm absolutely delighted to be here with these wonderful kids who range from 4 years to 18 years to celebrate all their hard work over the last few months. I set up this school to give kids the opportunity to make friends, build confidence, and most of all to have fun whilst at the end of term be given the chance to perform live on stage. The change we have seen in most of the kids just blows me away. We had kids that where so quiet and needed this confidence, now I can't keep them quiet and that is the most rewarding part of my job. It's such an honour for me to be here with them as it was in a school just like this that I started in myself. I ask you to give all the kids your full support with there show as I know so many of them as so nervous. Alice is probably our most difficult piece to date even though most people are familiar with the story, the craziness of it I couldn't even explain and don't know where to begin to try and explain it but I recommend you come with an open mind and for you adults let your child days come back and let your imagination take over! As you are all aware, it's very daunting to walk out on stage and perform in front of so many people. Even today experienced adults find it difficult, so imaging how the kids must feel. The school was never set up to find a star, it's about enjoyment, having a fantastic time and everyone working together to achieve a common goal. I ask you to applaud them sincerely and congratulate them on what they have achieved. Seeing the smile on their faces is what it's all about. I would like to thank all the parents, guardians and friends of the kids for your kind support over the last few months. I can't wait for the next term to start when we will promise to have another production in June 2008. Lastly this year three of our students Laura Nolan, Katie McAuliffe and Niamh Bolger are doing their leaving cert and will now move on to the adult shows. They have been with us since day one and they will be sorely missed. They are three really talented people and I wish them all the best with their exams and with their futures. (I wont be surprised if Liza gets the text again in January...) I hope you enjoy the performance and look forward to seeing you all again soon. Wishing you all a Merry Christmas and a Peaceful New Year.

Yours gratefully,
David Hennessy.
