A Word from our Chairman

On behalf of the Portlaw Musical Society I would like to welcome everybody to *Cinderella*. This is our tenth anniversary and as you may remember ten years ago we also staged *Cinderella*. The fact that we are still here ten years later is a sign of your continued support over the years. For this we offer you our sincere thanks. I would also like to thank all the people who offered their assistance over the years - in many forms.

Richie Collins, John Cullinane and Bill Furlong are especially remembered here to-night and may they with all the other great people from out of our past enjoy the light of Heaven.

It has been an honour and pleasure for me to be Chairman for the past ten years, but I feel that it is time for someone else to lead the Society into a new decade, which I hope will prove as successful as the past ten.

With every good wish.

Maurice Foran

PORTLAW - SHE'S PART OF ME

*We love Portlaw both you and me
They've closed our Factory the Tannery.
This is the place where we grew up
She is my heart, she's part of me.
She is my pride, my pride and joy
Our lovely people, we can't deny
In love with her we'll ever be.
For she's my heart - she's part of me.*

*My dear Portlaw how you have changed.
Our lovely streets they've re-arranged.
Where we played ball when we were small
Now stand new houses that grow so tall.
Our Copper Lodge that used to be.
Now they've destroyed all our dignity.
Preserve her beauty that's my plea,
For she's my heart Portlaw and Me.*
